

# Mesfin Genie

Last updated July 2026

Continuing Senior Lecturer in Health Economics

Newcastle Business School, The University of Newcastle, Australia

[mesfin.genie@newcastle.edu.au](mailto:mesfin.genie@newcastle.edu.au) | [mesfingenie.com](http://mesfingenie.com) | [ORCID](#) | [Google Scholar](#)

## Profile

---

Health economist and behavioural economist using stated-preference methods, discrete choice experiments, eye tracking, applied econometrics and decision-support tools to study healthcare decisions, public preferences and policy design.

## Appointments

---

- Continuing Senior Lecturer in Health Economics, Newcastle Business School, The University of Newcastle, Australia, 2026–present.
- Lecturer in Health Economics, Newcastle Business School, The University of Newcastle, Australia, 2023–2025.
- Previous research and teaching roles at Ca' Foscari University of Venice, University of Aberdeen, Auburn University and Duke University.

## Education

---

- PhD in Economics, Ca' Foscari University of Venice, Italy, 2019.
- MSc in Health Economics and Management, University of Bologna, Italy, 2015.
- MSc in Economics, Addis Ababa University, Ethiopia, 2010.
- BA in Economics, Jimma University, Ethiopia, 2006.

## Selected grants and funded work

---

- MandEval: effectiveness and consequences of Australia's COVID-19 vaccine mandates, MRFF Early to Mid-Career Researchers, MRF2019107, 2023–2025. University of Newcastle component A\$808,440; verified multi-institution programme A\$4,754,183.37.
- Upscaling FETP in India Business Case, World Bank Group, 2025, A\$416,000. Role: Lead, University of Newcastle project team.
- ASHEcon/NIA support, 2019. Novartis Travel Grant, 2017. Royal Economic Society Conference Grant, 2017.

## Teaching

---

- ECON3011 Introduction to Health Economics and Finance.
- ECON2112 Health Economics and Finance.
- ECON3111 Behavioural Economics.

## Research supervision

---

Current and completed supervision includes PhD and MPhil projects in climate-change economics, crop drought resilience, gendered ageism, telehealth, health-system reform and vaccine mandates.

## Selected publications

---
